 - ii may involve an extreme degree of risk and
 - iii is appropriate only for persons who, if they trade on margin, can assume risk of loss in excess of their margin deposit.

- i because of the low margin normally required in Margin Trades, price changes in the underlying asset may result in significant losses, which losses may substantially exceed the Client's investment and margin deposit;
 - ii when the Client directs Saxo Bank to enter into any transaction, any profit or loss arising as a result of a fluctuation in the asset or the underlying asset will be entirely for the Client's account and risk;
 - iii the Client warrants that the Client is willing and able, financially and otherwise, to assume the risk of trading in speculative investments;
 - iv the Client agrees not to hold Saxo Bank responsible for losses incurred as a consequence of Saxo Bank carrying the Client's account and following its recommendations or suggestions or those of its employees, associates or representatives;

 - vi the Client accepts that the Client has received no such guarantees or similar representations from Saxo Bank or from any of its associates or representatives or any other entity with whom the Client is conducting a Saxo Bank account, and the Client has not accepted the Terms, neither will the Client act in the future, in consideration of or in reliance upon any such guarantees or similar representations.

The Client furthermore acknowledges, understands and accepts that the Client in all respects solely and exclusively undertakes all such financial or other losses without any recourse towards Saxo Bank, an asset manager or the UMA or other pool of managed assets as a consequence hereof.

3.10. The Client shall, unless otherwise agreed in writing, enter into Contracts as Principal. If the Client acts on behalf of a Principal, whether or not the Client identifies that Principal to Saxo Bank, Saxo Bank shall not be obliged to accept the said Principal as a client unless otherwise agreed in writing, and consequently Saxo Bank shall be entitled to consider the Client as Principal in relation to the Contract.

3.11. In the event Saxo Bank may provide advice, information or recommendations to the Client Saxo Bank shall not be responsible for the profitability of such advice, information or recommendation as further stipulated in Clause 18, and the Client acknowledges, recognises and understands that:

- ii in particular, the Client accepts that Market Rules usually contain wide powers in an emergency or otherwise undesirable situation, and

4 DEALINGS BETWEEN SAXO BANK AND THE CLIENT

4.1 The Client may provide Saxo Bank with oral or written instructions (which shall include instructions provided via the internet or by e-mail as described below). Saxo Bank may acknowledge instructions orally or in writing, as appropriate.

4.2 The persons authorised to give Saxo Bank instructions on the Client's behalf shall be those notified by the Client to Saxo Bank and may be varied by written notice to Saxo Bank. Saxo Bank shall not be bound by any such variation until written notice is actually received and confirmed by Saxo Bank. Saxo Bank shall be entitled to act upon the oral or written instructions of any person authorised or any person who appears to Saxo Bank to

be an Authorised Person, notwithstanding that the person is not, in fact, so authorised.

4.3. The Trading Platform provides a possibility for execution of certain Contracts. Furthermore, details regarding Accounts, Trade Confirmations, and messages from Saxo Bank to the Client may be available on the Trading Platform. In addition to the terms listed on Saxo Bank's web site, the following terms apply to Contracts executed on the internet:

- i Saxo Bank shall not be liable to the Client for any loss, expense, cost or liability suffered or incurred by the Client due to failure of the system, transmission failure or delays or similar technical errors whether or not the error might be due to factors under Saxo Bank's control;
- ii Saxo Bank shall not be liable to the Client for any loss the Client might suffer due to errors in quotes which are the result of typing errors committed by Saxo Bank or Saxo Bank's erroneous perception of information entered into the system by the Client. Saxo Bank is entitled to make the necessary corrections in the Client's account according to market value of the asset in question at the time when the error occurred;
- iii Saxo Bank may offer real-time tradable prices to the Client. Due to delayed transmission between the Client and Saxo Bank the price offered by Saxo Bank may have changed before an order from the Client is received by Saxo Bank. If automatic order execution is offered to the Client, Saxo Bank shall be entitled to change the price on which the Client's order is executed to the market value at the time at which the order from the Client was received;
- iv The Trading Platform may be available in several versions, which may be differentiated in various aspects including, but not limited to the level of security applied, products and services available etc. Saxo Bank shall not be liable to the Client for any loss, expense, cost or liability suffered or incurred by the Client due to the Client using a version different from Saxo Bank's standard version with all available updates installed;
- v The Client shall be responsible for all orders, and for the accuracy of all information, sent via the internet using the Client's name, password or any other personal identification means implemented to identify the Client;
- vi The Client is obliged to keep passwords secret and ensure that third parties do not obtain access to the Client's trading facilities;
- vii The Client shall be liable to Saxo Bank for Contracts executed by means of the Client's password even if such use might be unauthorised or wrongful;
- viii Regardless of the fact that the Trading Platform might confirm that a Contract is executed immediately when the Client transmits instructions via the Trading Platform, the Trade Confirmation forwarded by Saxo Bank or made available to the Client on the Trading Platform constitutes Saxo Bank's confirmation of a Contract.

4.4. Any instruction sent via the Trading Platform or by e-mail by the Client shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding Contract between Saxo Bank and the Client when such instruction has been recorded as executed by Saxo Bank and confirmed by Saxo Bank to the Client through the Trade Confirmation and/or Account Statement, and the mere transmission of an instruction by the Client shall not constitute a binding Contract between Saxo Bank and the Client.

4.5. The Client shall promptly provide any instructions to Saxo Bank, which Saxo Bank may require. If the Client does not provide such instructions promptly, Saxo Bank may, in its absolute discretion, take such steps at the Client's cost, as Saxo Bank considers necessary or desirable for its own protection or the protection of the Client. This provision is similarly applicable in situations when Saxo Bank is unable to obtain contact with the Client.

4.6. If the Client does not provide Saxo Bank with notice of its intention to exercise an option or another Contract which requires an instruction from the Client at the time stipulated by Saxo Bank, Saxo Bank may treat the option or Contract as abandoned by the Client. If a Contract can be prolonged on expiry, Saxo Bank may at its entire discretion choose to prolong or to close such Contract.

4.7. Saxo Bank may (but shall not in any circumstances be obliged to) require confirmation in such form as Saxo Bank may reasonably request if an instruction is to close an Account or remit money due to the Client or if it appears to Saxo Bank that such confirmation is necessary or desirable.

4.8. The Client shall indemnify Saxo Bank and keep Saxo Bank indemnified against all losses, which Saxo Bank may suffer as a result of any error in any instruction given by an Authorised Person or as a result of Saxo Bank's acting on any instruction, which is, or appears to be, from an Authorised Person.

4.9. Saxo Bank may, in its sole discretion and without explanation, refuse to act upon any instruction.

4.10. In general, Saxo Bank shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act within a time frame reasonable seen in the context of the nature of the instruction. However if, after instructions are received, Saxo Bank believes that it is not reasonably practicable to act upon such instructions within a reasonable time, Saxo Bank may defer acting upon those instructions until it is, in Saxo Bank's reasonable opinion, practicable to do so or notify the Client that Saxo Bank is refusing to act upon such instructions.

- 4.11.** It is possible that errors may occur in the prices of transactions quoted by Saxo Bank. In such circumstances, without prejudice to any rights it may have under Danish law, Saxo Bank shall not be bound by any Contract which purports to have been made (whether or not confirmed by Saxo Bank) at a price which:
- i Saxo Bank is able to substantiate to the Client was manifestly incorrect at the time of the transaction; or
 - ii was, or ought reasonably to have been, known by the Client to be incorrect at the time of the transaction.
- 4.12.** Trading strategies aimed at exploiting errors in prices (commonly known as “sniping”) are not accepted by Saxo Bank. If Saxo Bank, at its sole discretion in good faith, determines that Client is taking advantage or attempting to take advantage of such misquotes or is performing other forms of abusive trading, Saxo Bank is entitled to take one or more of the following countermeasures:
- i Adjust the price spreads available to the Client;
 - ii Restrict the Client’s access to streaming, instantly tradable quotes, including providing manual quotation only;
 - iii Retrieve from the Client’s account any historic trading profits that have been gained through such abuse of liquidity – as determined by the bank in its sole discretion in good faith – at any time during the client relationship; and/or
 - iv Terminate the client relationship immediately by giving written notice.
- 4.13.** If the Client is more than one person (for example, joint accountholders):
- i the liabilities of each such person shall be direct, joint and several;
 - ii Saxo Bank may act upon instructions received from any one person who is, or appears to Saxo Bank to be, such a person, whether or not such person is an Authorised Person;
 - iii any notice or other communication provided by Saxo Bank to one such person shall be deemed to have been provided to all such persons; and
 - iv the rights of Saxo Bank under Clause 16 shall apply if an event described in Clause 16 shall be deemed to have occurred in respect of any one of such persons.
- 4.14.** The Client agrees that Saxo Bank may record all telephone conversations, internet conversations (chat), and meetings between the Client and Saxo Bank and use such recordings, or transcripts from such recordings, as evidence towards any party (including, but not limited to, any regulatory authority and/or court of law) to whom Saxo Bank in its entire discretion sees it to be desirable or necessary to disclose such information in any dispute or anticipated dispute between Saxo Bank and the Client. However, technical reasons may prevent Saxo Bank from recording a conversation, and recordings or transcripts made by Saxo Bank will be destroyed

in accordance with Saxo Bank’s normal practice. Consequently, the Client should not rely on such recordings to be available.

- 4.15.** When the Client instructs Saxo Bank to enter into a position which is opposite to one or more of the Client’s open positions, Saxo Bank will apply the FIFO principle and consequently close out the opposite position which was opened as the first of such positions. However, upon special agreement in each individual case, Saxo Bank may accept to close out another position.

- 4.16.** If the Client operates several Accounts (or sub-accounts) and opposite positions are opened on different Accounts (or sub-accounts), Saxo Bank shall not close out such positions. The Client is specifically made aware that unless closed manually, all such positions may be rolled over on a continuous basis and thereby consequently all incur a cost for such roll-over.

5 MARGINS, COLLATERAL, PAYMENTS AND DELIVERY

- 5.1.** The Client shall pay to Saxo Bank on demand:
- i such sums of money by way of deposits, or as initial or variation margin as Saxo Bank may require. In the case of a Contract effected by Saxo Bank on an exchange, such margin shall be not less than the amount or percentage stipulated by the relevant exchange plus any additional margin that Saxo Bank may in its entire discretion require;
 - ii such sums of money as may from time to time be due to Saxo Bank under a Contract and such sums as may be required in or towards clearance of any debit balance on any Account; and
 - iii such sums of money as Saxo Bank may from time to time require as security for the Client’s obligations to Saxo Bank.
- 5.2.** If the Client makes any payment which is subject to any withholding or deduction, the Client shall pay to Saxo Bank such additional amount to ensure that the amount actually received by Saxo Bank will equal the full amount Saxo Bank would have received had no withholding or deduction been made.
- 5.3.** Payments into the Client’s account are deposited by Saxo Bank on the condition of Saxo Bank receiving the amount in question. This shall apply irrespective of whether it has been explicitly stated in receipts or other notices of or requests for payment.
- 5.4.** With the prior written agreement of Saxo Bank on each occasion, the Client may deposit Collateral with Saxo Bank or provide Saxo Bank with a guarantee or indemnity from a person and in a form acceptable to Saxo Bank instead of cash for the purpose of complying with its

obligations. The Client is specifically made aware that Saxo Bank may in its entire discretion determine the value by which Collateral shall be registered and consequently contribute to Saxo Bank's demand towards the Client and Saxo Bank may change such value of Collateral without prior notice to the Client.

- 5.5.** Any Collateral will be held by an intermediate broker or eligible custodian, appointed by Saxo Bank, and the intermediate broker or eligible custodian shall be responsible for claiming and receiving all interest payments, income and other rights accruing to the Client. Saxo Bank accepts no responsibility whatsoever for the acts or omissions of any intermediate broker or eligible custodian and shall not be liable to the Client for any losses resulting directly or indirectly from acts or omissions of such.
- 5.6.** Saxo Bank is entitled to:
- i pass on any money or Collateral received from the Client in order to satisfy Saxo Bank's obligations to any third party;
 - ii charge, pledge or grant any security arrangement over Collateral in order to satisfy Saxo Bank's obligations to any third party in which case the Collateral may or may not be registered in the Client's name;
 - iii lend Collateral to any third party in which case the Collateral may or may not be registered in the Client's name; and
 - iv return to the Client other than the original Collateral or type of Collateral.
- 5.7.** Saxo Bank shall not be obliged to account to the Client for any income received by Saxo Bank as a result of carrying out any of the activities described in this Clause.
- 5.8.** The Client shall be obliged to promptly deliver any money or property deliverable by it under a Contract in accordance with the terms of that Contract and with any instructions given by Saxo Bank for the purpose of enabling Saxo Bank to perform its obligations under any corresponding Contract entered into between Saxo Bank and a third party.
- 5.9.** If the Client fails to provide any margin, deposit or other sum due under the Terms in respect of any transaction Saxo Bank may close any open Contract without prior notice to the Client and apply any proceeds thereof to payment of any amounts due to Saxo Bank. This is further regulated in Clause 16.
- 5.10.** If the Client fails to make any payment when it falls due, the Client shall pay interest (from the due date and until payment takes place) on the outstanding amount at the rate stated in the Commission, Charges & Margin Schedule (cf. Clause 9.3).

5.11. The Client is advised that Saxo Bank shall have the right, in addition to any other rights it may have under the Terms, or under Danish law in general, to limit the size of the Client's open positions (net or gross) and to refuse orders to establish new positions. Situations where Saxo Bank may exercise such right include, but are not limited to, where:

- i Saxo Bank considers that the Client may be in possession of Inside Information;
- ii Saxo Bank considers that there are abnormal trading conditions;
- iii the value of the Client's Collateral (as determined by Saxo Bank in accordance with Clause 5.4) falls below the minimum margin requirement;
- iv the Client has a negative cash-balance on any account.

6 MARGIN TRADES

- 6.1.** On the date of the opening of a Margin Trade between Saxo Bank and the Client, Saxo Bank may require the Client to have margin on the Account at least equivalent to Saxo Bank's initial margin requirement.
- 6.2.** Saxo Bank's margin requirement shall apply throughout the term of the Margin Trade. It is the Client's responsibility to ensure that sufficient margin is available on the Account at any time. Saxo Bank may or may not notify the Client that the margin requirements are not met. If, at any time during the term of a Margin Trade, the margin available on the Account is not sufficient to cover Saxo Bank's margin requirement, the Client is obliged to reduce the amount of open Margin Trades or transfer adequate funds to Saxo Bank. Such transfer must be effected and documented towards Saxo Bank immediately after Saxo Bank has requested the Client to do so. Even if the Client effects such transactions, Saxo Bank may close all or one or more Margin Trades or part of a Margin Trade and/or liquidate or sell securities or other property at the Client's account at its sole discretion without assuming any responsibility towards the Client for such action.
- 6.3.** If the Client has opened more than one Account, Saxo Bank is entitled to transfer money or Collateral from one Account to another, even if such transfer will necessitate the closing of Margin Trades on the Account from which the transfer takes place.
- 6.4.** Saxo Bank's general margin requirements for different types of Margin Trades are displayed on Saxo Bank's web site. However, Saxo Bank reserves the right to determine specific margin requirements for individual Margin Trades.
- 6.5.** The Client is specifically made aware that the margin requirements are subject to change without notice. When a Margin Trade has been opened, Saxo Bank is

not allowed to close the Margin Trade at its discretion but only at the Client's instruction or according to Saxo Bank's rights under the Terms. Consequently, Saxo Bank will increase the margin requirements if Saxo Bank considers that its risk on a Margin Trade has increased as compared to the risk on the date of the opening.

7 ACCOUNTS

- 7.1.** Saxo Bank will make available to the Client a Trade Confirmation in respect of each transaction or Contract entered into by Saxo Bank with or for the Client and in respect of each open position closed by Saxo Bank for the Client. Trade Confirmations will normally be available instantly following the execution of the transaction.
- 7.2.** An Account Summary and Account Statement is available to the Client through the Trading Platform. The Account Summary will normally be updated periodically during Saxo Bank's opening hours. The Account Statement will normally be updated every Business Day with information for the previous Business Day. By accepting the Terms the Client agrees not to receive any Account Statements or Account Summaries in printed form from Saxo Bank other than upon specific request.
- 7.3.** Any notice or other communication to be provided by Saxo Bank under the Terms, including Account Statements and Trade Confirmations, may be sent by Saxo Bank at its option to the Client in electronic form by e-mail or by display on the Client's account summary on the Trading Platform. The Client is obliged to provide Saxo Bank with an e-mail address for this purpose. An e-mail message is considered received by the Client when sent from Saxo Bank. Saxo Bank is not responsible for any delay, alteration, re-direction or any other modification the message may undergo after transmission from Saxo Bank. A message on the Client's account on the Trading Platform is considered received by the Client when Saxo Bank has placed the message on the Trading Platform.
- 7.4.** The Client is obliged to verify the contents of each document, including documents sent in electronic form from Saxo Bank. Such documents shall, in the absence of manifest error, be deemed conclusive unless the Client notifies Saxo Bank in writing to the contrary immediately after having received such document. In the event that the Client believes to have entered into a transaction or Contract, which should have produced a Trade Confirmation or otherwise a posting on the Client's account, but the Client has not received such confirmation, the Client must inform Saxo Bank immediately when the Client ought to have received such confirmation. In the absence of such information the transaction or Contract may at Saxo Bank's absolute discretion be deemed non-existent.

- 7.5.** By accepting the Terms the Client consents to the fact that Saxo Bank keeps the Client's securities in omnibus custody accounts as described in the Financial Business Act, (Compiled Act no. 90 of February 3, 2005), section 72, subsection 3, together with securities belonging to other clients or to Saxo Bank. Saxo Bank shall keep a register clearly specifying the individual clients' right of ownership to the securities registered. In the event of Saxo Bank's default, the Client shall based on the register be entitled to withdraw the Client's securities from the omnibus custody account if there is no pre-existing dispute concerning the Client's right of ownership. The Client accepts that such securities are not registered with the relevant clearing institution or custodian in the Client's name but in Saxo Bank's name. Consequently, the Client will not be personally entitled to compensation for errors committed by the relevant clearing organisation, if any.

8 COMMISSIONS, CHARGES, AND OTHER COSTS

- 8.1.** The Client shall be obliged to pay to Saxo Bank the commissions and charges set out in the Commission, Charges & Margin Schedule.
- 8.2.** Saxo Bank may vary such commissions and charges without notice when changes are to the Client's advantage, or the grounds for changes are due to external circumstances beyond Saxo Bank's control. Such circumstances are:
 - i Changes in the relationship with Saxo Bank's counterparties, which affect Saxo Bank's cost structures;
 - ii Changes in commissions and charges from exchanges, clearing houses, information providers or other third party providers that are passed on to the Client by Saxo Bank.
- 8.3.** Saxo Bank may vary such commissions and charges with one month's notice if:
 - i market conditions, including competitive behaviour, call for changes to Saxo Bank conditions;
 - ii Saxo Bank for commercial reasons wishes to change its general cost and pricing structure;
 - iii significant particulars of the Client, based on which individual conditions were provided, have changed.
- 8.4.** In addition to such commissions and charges, the Client shall be obliged to pay all applicable VAT and other taxes, storage and delivery charges, exchange and clearing house fees and all other fees incurred by Saxo Bank in connection with any Contract and/or in connection with maintaining the client relationship.
- 8.5.** Furthermore, Saxo Bank shall be entitled to demand that the following expenses are paid separately by the Client:
 - i all extraordinary disbursements resulting from the client relationship e.g. telephone, telefax, courier, and

- postal expenses in case the Client requests hardcopy Trade Confirmations, Account Statements etc. which Saxo Bank could have delivered in electronic form;
 - ii any expenses of Saxo Bank, caused by non-performance by the Client, including a fee determined by Saxo Bank in relation to forwarding of reminders, legal assistance etc;
 - iii any expenses of Saxo Bank in connection with replies to inquiries by public authorities, pursuant to Danish legislation, including a fee determined by Saxo Bank in relation to forwarding of transcripts and enclosures and for the preparation of copies;
 - iv administration fees in connection with security deposits, and any expenses of Saxo Bank in relation to a pledge, if provided, including any insurance premium payments; and
 - v any expenses of Saxo Bank in connection with auditor's comments/reports if such is requested by the customer.
- 8.6.** The fees will be charged either as a fixed amount corresponding to payments effected, or as a percentage or hourly rate corresponding to the service performed. The methods of calculation can be combined. Saxo Bank reserves the right to introduce new fees.
- 8.7.** Saxo Bank may share commissions and charges with its associates, Introducing Brokers or other third parties or receive remuneration from them in respect of Contracts entered into by Saxo Bank. Details of any such remuneration or sharing arrangement will not be set out on the relevant Trade Confirmation. Saxo Bank (or any associate) may benefit from commission, mark-up, mark-down or any other remuneration where it acts for the Counterparty to a Contract.
- 8.8.** Unless specified otherwise in the Terms, all amounts due to Saxo Bank (or Agents used by Saxo Bank) under the Terms shall, at Saxo Bank's option:
- i be deducted from any funds held by Saxo Bank for the Client; or
 - ii be paid by the Client in accordance with the provisions of the relevant difference account, Trade Confirmation or other advice.
- 8.9.** In respect of any transactions to be effected OTC, Saxo Bank shall be entitled to quote prices at which it is prepared to trade with the Client. Save where Saxo Bank exercises any rights it may have under the Terms to close a Contract, it is the Client's responsibility to decide whether or not it wishes to enter into a Contract at such prices. The prices quoted on Trade Confirmations sent to the Client will be inclusive of any charges, which will not be separately identified and disclosed. The Client agrees to receive Trade Confirmations in this form. Additional charges may apply. Saxo Bank's actions as market maker are further described in Clause 12.

- 8.10.** Furthermore, the Client acknowledges, recognises and accepts that the procedures described in Clause 9, Interest and Currency Conversions, and Clause 12, Market Making and Best Execution, may result in additional costs for the Client.

9 INTEREST AND CURRENCY CONVERSIONS

- 9.1.** Subject to the Clause below and save as otherwise agreed in writing, Saxo Bank shall not be liable to:
- i pay interest to the Client on any credit balance in any Account or on any other sum held by Saxo Bank; or
 - ii account to the Client for any interest received by Saxo Bank on such sums or in connection with any Contract.
- 9.2.** If the net free equity of an Account exceeds certain amounts then Saxo Bank will pay interest at such rates as published in Saxo Bank's Commission, Charges & Margin Schedule.
- 9.3.** If there is a negative net free equity on an Account the Client will pay interest to Saxo Bank on the full amount of that net free equity at such rate as published in Saxo Bank's Commission, Charges & Margin Schedule.
- 9.4.** Saxo Bank may vary such interest rates without notice when changes are to the Client's advantage, or the grounds for changes are due to external circumstances beyond Saxo Bank's control. Such circumstances are:
- i Changes in the monetary or credit policies domestic or abroad that affect the general interest level in a way that is of importance to Saxo Bank;
 - ii Other developments in the general interest level, including in the money and bond markets, in a way that is of importance to Saxo Bank;
 - iii Changes in the relationship with Saxo Bank's counterparties, which affect Saxo Bank's cost structures.
- 9.5.** Saxo Bank may vary such interest rates with one month's notice if:
- i market conditions, including competitive behaviour, call for changes to Saxo Bank conditions;
 - ii Saxo Bank for commercial reasons wishes to change its general cost and pricing structure;
 - iii significant particulars of the Client, based on which individual conditions were provided, have changed.
- 9.6.** Saxo Bank is entitled to (but shall not in any circumstances be obliged to) convert:
- i any realised gains, losses, option premiums, commissions, interest charges and brokerage fees which arise in a currency other than the Client's base currency (i.e. the currency in which the Client's Account is denominated) to the Client's base currency;
 - ii any cash currency deposit to another cash currency deposit for the purpose of purchasing an asset de-

nominated in a currency other than the Client's base currency;

- iii any monies held by Saxo Bank for the Client into such other currency as Saxo Bank considers necessary or desirable to cover the Client's obligations and liabilities in that currency.

- 9.7.** Whenever Saxo Bank conducts currency conversions, Saxo Bank will do so at such reasonable rate of exchange as Saxo Bank shall select. Saxo Bank shall be entitled to charge and retain for its own account a mark-up on the exchange rates for arranging such conversion as Saxo Bank may from time to time specify and publish in the Commission, Charges & Margin Schedule.

10 PLEDGE AGREEMENT

- 10.1.** Any and all Collateral transferred to Saxo Bank by the Client or held by Saxo Bank or by Saxo Bank's Counterparties on behalf of the Client is pledged as a security for any liability that the Client may have or get towards Saxo Bank. Without limitation such Collateral shall comprise the credit balances on Accounts, the securities registered as belonging to the Client in Saxo Bank's books, and the value of the Client's open positions with Saxo Bank.
- 10.2.** If the Client fails to fulfil any obligation under the Terms, Saxo Bank is entitled to sell any pledged Collateral immediately without any notice or court action. Such sale shall take place by the means that Saxo Bank in its reasonable discretion determines and at the price that Saxo Bank in its reasonable discretion determines to be the best obtainable.

11 NETTING AGREEMENT

- 11.1.** If on any date the same amounts are payable under the Terms by each party to the other in the same currency, then, on such date, each party's obligations to make payment of any such amount will be automatically satisfied and discharged. If the amounts are not in the same currency, the amounts are converted by Saxo Bank in accordance with the principles referred to in Clause 9.
- 11.2.** If the aggregate amount that is payable by one party exceeds the aggregate amount that is payable by the other party, then the party by whom the larger aggregate amount is payable shall pay the excess to the other party and the obligations to make payment of each party will be satisfied and discharged.
- 11.3.** If the client relationship is terminated according to Clause 16, the claims that the parties have against each other shall be finally discharged by means of netting (closed). The value of open Contracts shall be determined according to the principles set forth below and the final amount

to be paid by one of the parties shall be the difference between the payment obligations of the parties.

- 11.4.** The rates based on which the Contracts shall be closed shall be the market rates applicable on the day on which Saxo Bank decides to close the Contracts due to the Event of Default.
- 11.5.** Saxo Bank may at its reasonable discretion determine the rates by obtaining an offer from a market maker in the asset in question or by applying rates from electronic financial information systems.
- 11.6.** When determining the value of the Contracts to be netted, Saxo Bank shall apply its usual spreads and include all costs and other charges.
- 11.7.** This netting agreement shall have legal effect towards an estate and creditors of the parties to the client relationship.

12 MARKET MAKING

- 12.1.** When Saxo Bank executes orders as Agent for the Client on a recognised stock or futures exchange, Saxo Bank will not be a party to such a trade as such orders will be executed in the trading system of the relevant exchange at the best price and the most favourable conditions available at the time of the order or according to the Client's specific instructions, e.g. in a situation where the Client has chosen to limit the order. Saxo Bank will not include any additional spread in the price of the execution achieved for the Client but will be remunerated according to the Commission, Charges & Margin Schedule.
- 12.2.** The Client is specifically made aware that in certain markets, including - but not necessarily limited to - foreign exchange markets, OTC foreign exchange options and CFD Contracts, Saxo Bank may act as a market maker.
- 12.3.** Saxo Bank will, upon the Client's written request, in general disclose to the Client whether Saxo Bank may act as a market maker in a certain instrument.
- 12.4.** When acting as a market maker, Saxo Bank will under normal market circumstances quote the Client bid and ask prices.
- 12.5.** In order for Saxo Bank to quote prices with the swiftness normally associated with speculative trading, Saxo Bank may have to rely on available price or availability information that may later prove to be faulty due to specific market circumstances, for instance, but not limited to, lack of liquidity in or suspension of an asset or errors in feeds from information providers or quotes from Counterparties. If so and if Saxo Bank has acted in good

faith when providing the price to the Client, Saxo Bank may cancel the trade with the Client but shall do so within reasonable time and shall provide the Client with a full explanation for the reason for such cancellation.

- 12.6.** Following execution of any position with a client, Saxo Bank may at Saxo Bank's sole discretion subsequently offset each such client position with another client position, or a position with one of Saxo Bank's Counterparties or retain a proprietary position in the market with the intention to obtain trading profits from such positions. Such decisions and actions may therefore result in Saxo Bank offsetting client positions at prices different - sometimes significantly different - from prices quoted to clients, resulting in trading profits or losses for Saxo Bank. This in turn can raise the possibility of the Client incurring what may be seen as an implied cost (i.e. the difference between the price at which the Client traded with Saxo Bank and the price at which Saxo Bank subsequently traded with Counterparties and/or other clients) due to any profits realised by Saxo Bank as a result of the market making function. However the market making function may involve significant costs to Saxo Bank if the market moves against Saxo Bank as compared to the price at which Saxo Bank traded with the Client.
- 12.7.** As a result of Saxo Bank's activity as a market maker, the Client accepts that Saxo Bank has no obligation to provide the Client with best execution in such markets. Furthermore the Client accepts that Saxo Bank in such markets may hold positions that are contrary to positions of clients, resulting in potential conflicts of interest between Saxo Bank and clients. In markets, where Saxo Bank acts as a market maker, the Client accepts that Saxo Bank has no obligation to quote prices to clients at all times in any given market, nor to quote such prices to clients with a specific maximum spread.
- 12.8.** In markets, where Saxo Bank acts as a market maker, Saxo Bank may or may not charge commissions. However, irrespective of whether or not Saxo Bank charges any commissions, the Client accepts that Saxo Bank will seek to make additional profits out of its performance as a market maker and the size of any such profits may be considerable if and when compared with the Client's margin deposit.
- 12.9.** The Client acknowledges, recognises and accepts that the price quoted to the Client includes a spread when compared with the price to which Saxo Bank may have covered or expected to be able to cover the Contract in a trade with another client or a Counterparty. Furthermore, the Client acknowledges, recognises and accepts that said spread constitutes remuneration to Saxo Bank and that such spread cannot be calculated as far as all Contracts are concerned and that such spread will not be specified at the Trade Confirmation or otherwise revealed to the Client.

- 12.10.** Any commission costs, interest charges, costs associated to and included in the spreads quoted by Saxo Bank as a market maker in certain markets and other fees and charges will consequently influence the Client's trading result and will have a negative affect on the Client's trading performance compared to a situation if such commission costs, interest charges, costs associated to and included in the spreads did not apply.
- 12.11.** Whilst dealing spreads and commissions are normally considered moderate seen in relation to the value of the underlying assets traded, such costs may be considerable when compared with the Client's margin deposit. It is a consequence thereof that the Client's margin deposit may be depleted by trading losses that the Client may incur and by the directly visible dealing costs such as commissions, interest charges and brokerage fees as well as the said not visible costs for the Client, caused by Saxo Bank's performance as a market maker.
- 12.12.** If the Client is an active trader and is undertaking numerous transactions, the total impact of as well visible as not visible costs may be significant. Consequently the Client may have to obtain significant profits in the markets in order to cover the costs associated with trading activities with Saxo Bank. For very active traders, such costs may over time exceed the value of the margin deposited. Normally, when trading margined derivatives, the lower the percentage of the applicable margin rate, the higher the proportion of the costs associated with executing a transaction.
- 12.13.** The Client is specifically made aware that in the area of market making in foreign exchange, OTC foreign exchange options, CFD Contracts and other OTC products, substantial implied costs can arise as a consequence of the profits made by Saxo Bank performing in its capacity as a market maker.
- 12.14.** Saxo Bank's performance as a market maker may negatively affect the Client's Account with Saxo Bank and the said implied costs are neither directly visible nor directly quantifiable for the Client at any time.
- 12.15.** Saxo Bank is at no time under any obligation to, nor will Saxo Bank, at any time disclose any details of its performance or income produced as a market maker or otherwise related to other commissions, charges and fees.
- 12.16.** The Client is specifically made aware that CFD Contracts may be OTC products quoted by Saxo Bank whilst operating as a market maker and not traded on a recognised stock exchange. As a result, the description above of the implied, not visible costs related to Saxo Bank's performance as a market maker may also apply to any CFD Contract.

13 AGGREGATION AND SPLIT

- 13.1.** The Client's orders may at the discretion of Saxo Bank be aggregated with Saxo Bank's own orders, orders of any of Saxo Bank's associates and/or persons connected with Saxo Bank (including employees and other clients). Furthermore, Saxo Bank may split the Client's orders as well as aggregated orders when executing such orders. Although orders will only be aggregated or split where Saxo Bank reasonably believes it to be in the overall best interests of its clients, aggregation and split may on some occasions result in the Client obtaining a less favourable price than if the Client's orders had been executed respectively separately or mutually.

14 CONFLICTS OF INTEREST

- 14.1.** Saxo Bank, its associates or other persons connected with Saxo Bank may have an interest, relationship or arrangement that is material in relation to any transaction or Contract effected, or advice provided by Saxo Bank, under the Terms. By accepting the Terms the Client agrees that Saxo Bank may transact such business without prior reference to the Client.
- 14.2.** In addition, Saxo Bank may provide advice, recommendations and other services to third parties whose interests may be in conflict or competition with the Client's interests, and Saxo Bank, its associates and the employees of any of them may act on behalf of other clients who may take positions opposite to the Client or may be in competition with the Client to acquire the same or a similar position.

15 SAXO BANK'S COUNTERPARTIES AND INTRODUCING BROKERS

- 15.1.** In order to give effect to the Client's instructions, Saxo Bank may instruct a Counterparty selected at Saxo Bank's discretion and Saxo Bank shall do so where the transaction is to be subject to the rules of an exchange or market of which Saxo Bank is not a member.
- 15.2.** Saxo Bank shall not be responsible for errors committed by such Counterparties unless it is proven that Saxo Bank has not acted with sufficient care when selecting the Counterparty.
- 15.3.** The Client may have been referred to Saxo Bank by an Introducing Broker. If so, Saxo Bank shall not be responsible for any agreement made between the Client and the Introducing Broker and to which Saxo Bank is not a party.
- 15.4.** The Client is specifically made aware that the Client's agreement with the Introducing Broker may result in ad-

ditional costs as Saxo Bank may pay fees or commission to such person. The Client acknowledges that any such Introducing Broker will either be acting as an independent intermediary or an Agent for the Client and that no such persons shall be authorised to make any representations concerning Saxo Bank or the Services.

16 DEFAULT AND DEFAULT REMEDIES

- 16.1.** The provisions contained in this Clause supplement any other rights that Saxo Bank or any of its associates have according to the Terms, including but not limited to the Pledge Agreement referred to in Clause 10, and furthermore any other rights Saxo Bank has according to Danish law.
- 16.2.** Saxo Bank reserves the right to retain, or make deductions from, any amounts which Saxo Bank owes to or is holding for the Client if any amounts are due from the Client to Saxo Bank or its associates.
- 16.3.** The Client authorises Saxo Bank, at Saxo Bank's discretion, at any time and without notice or liability to the Client, to sell, apply, set-off and/or charge in any manner any or all of the Client's property and/or the proceeds of any of the same of which Saxo Bank or any of its associates or Agents has custody or control, in order to discharge any or all of the Client's obligations to Saxo Bank or to Saxo Bank's associates.
- 16.4.** Each and any of the following events shall constitute an Event of Default:
- i if the Client fails to make any payment or fails to do any other act or thing required under the Terms or by Saxo Bank at its reasonable discretion;
 - ii if the Client fails to remit funds necessary to enable Saxo Bank to take delivery under any Contract on the first due date;
 - iii if the Client fails to provide assets for delivery, or take delivery of assets, under any Contract on the first due date;
 - iv if the Client dies or becomes of unsound mind;
 - v if an application is made in respect of the Client for any action pursuant to the Danish Bankruptcy Act or any equivalent act applicable to the Client or, if a partnership, in respect of one or more of the partners, or if a company, a receiver, trustee, administrative receiver or similar officer is appointed;
 - vi if a petition is presented for the winding-up or administration of the Client;
 - vii if an order is made or a resolution is passed for the winding-up or administration of the Client (other than for the purposes of amalgamation or reconstruction with the prior written approval of Saxo Bank);
 - viii if any distress, execution or other process is levied against any property of the Client and is not removed, discharged or paid within seven days;

- ix if any security created by any mortgage or charge becomes enforceable against the Client and the mortgagee or chargee takes steps to enforce the security or charge;
- x if any indebtedness of the Client or any of its subsidiaries becomes immediately due and payable, or capable of being declared so due and payable, prior to its stated maturity by reason of default of the Client (or any of its subsidiaries) or the Client (or any of its subsidiaries) fails to discharge any indebtedness on its due date;
- xi if the Client fails to fully comply with any obligations under the Terms or any Contract;
- xii if any of the representations or warranties given by the Client are, or become, untrue;
- xiii if Saxo Bank or the Client is requested to close a Contract (or any part of a Contract) by any regulatory agency or authority; or
- xiv if Saxo Bank reasonably considers it necessary for its own protection or the protection of its associates.

16.5. Upon the existence of an Event of Default, Saxo Bank shall be entitled to, and is authorised at its discretion:

- i to sell or charge in any way any or all of the Client's Collateral, assets and property which may from time to time be in the possession or control of Saxo Bank or any of its associates or Agents or call on any guarantee;
- ii to buy any Collateral, investment or other property where this is, or is in the reasonable opinion of Saxo Bank likely to be, necessary in order for Saxo Bank to fulfil its obligations under any Contract and the Client shall reimburse Saxo Bank for the full amount of the purchase price plus any associated costs and expenses;
- iii to deliver any Collateral investment or property to any third party, or otherwise take any action Saxo Bank considers to be desirable in order to close any Contract;
- iv to require the Client immediately to close and settle a Contract in such manner as Saxo Bank may in its sole discretion request;
- v to enter into any foreign exchange transaction, at such rates and times as Saxo Bank may determine, in order to meet obligations incurred under a Contract; and
- vi to reinvoice all or part of any assets standing to the debit or credit of any Account (including commuting Saxo Bank's or the Client's obligation to deliver an asset into an obligation to pay an amount equal to the market value of the asset (determined by Saxo Bank in its sole discretion) on the date invoicing takes place).

16.6. The Client authorises Saxo Bank to take any or all of the steps described in this Clause without notice to the Client and acknowledges that Saxo Bank shall not be responsible for any consequences of it taking any such steps. The Client shall execute such documents and take such other action as Saxo Bank may request in order to protect the rights of Saxo Bank and its associates under the Terms or under any agreement the Client may have with any of them.

16.7. If Saxo Bank exercises its rights to sell any Collateral or property of the Client under this Clause, it will effect such sale, without notice or liability to the Client, on behalf of the Client and apply the proceeds of sale in or towards discharge of any or all of the Client's obligations to Saxo Bank or to Saxo Bank's associates.

16.8. Without prejudice to Saxo Bank's other rights under the Terms or under Danish law, Saxo Bank may, at any time and without notice, combine or consolidate all or any of the accounts maintained by the Client with Saxo Bank or any of its associates and off-set any and all amounts owed to, or by, Saxo Bank or any of its associates in such manner as Saxo Bank at its sole discretion may determine.

17 CLIENT WARRANTIES & REPRESENTATIONS

17.1. The Client warrants and represents that:

- i it is not under any legal disability with respect to, and is not subject to any law or regulation which prevents its performance according to the Terms or any Contract or transaction contemplated by the Terms;
- ii it has obtained all necessary consents and has the authority to operate according to the Terms (and if the Client is not an individual person, it is properly empowered and has obtained necessary corporate or other authority pursuant to its constitutional and organisational documents);
- iii investments or other property supplied by the Client for any purpose shall, subject to the Terms, at all times be free from any charge, lien, pledge or encumbrance and shall be beneficially owned by the Client;
- iv it is in compliance with all laws to which it is subject including, without limitation, all tax laws and regulations, exchange control requirements and registration requirements; and
- v the information provided by the Client to Saxo Bank is complete, accurate and not misleading in any material respect.

17.2. The above warranties and representations shall be deemed to be repeated each time the Client in the future for the duration of the client relationship provides instructions to Saxo Bank.

17.3. The Client is obliged to inform Saxo Bank immediately should the foundation of any warranty or representation or information previously given change.

18 INDEMNITY AND LIMITATION OF LIABILITY

- 18.1.** The Client shall indemnify Saxo Bank and keep Saxo Bank indemnified against all losses, taxes, expenses, costs and liabilities whatsoever (present, future, contingent or otherwise and including reasonable legal fees) which may be suffered or incurred by Saxo Bank as a result of or in connection with:
- i the Client's breach of the Terms;
 - ii Saxo Bank entering into any transaction or Contract; or
 - iii Saxo Bank taking any of the steps which Saxo Bank is entitled to take in an Event of Default;

unless and to the extent only that such losses, taxes, expenses, costs and liabilities are suffered or incurred as a result of Saxo Bank's gross negligence or wilful default.

- 18.2.** This indemnity shall survive any termination of the client relationship.

- 18.3.** Saxo Bank shall not be liable for:

- i any loss (including consequential and other indirect losses), expense, cost or liability (together referred to as "Loss") suffered or incurred by the Client as a result of or in connection with the provision of the Services unless and to the extent that such Loss is suffered or incurred as a result of Saxo Bank's gross negligence or wilful default;
- ii any Loss due to actions taken by Saxo Bank according to its rights under the Terms, whether Saxo Bank would have been liable for such Loss according to general liability rules under Danish law or not;
- iii any consequential or other indirect loss suffered or incurred by the Client whether arising from Saxo Bank's negligence or otherwise; or
- iv any Loss suffered or incurred by the Client as a result of any third party (including any Counterparty to, or any person whom Saxo Bank engages in connection with, a Contract) failing to perform its obligations to Saxo Bank and, in such circumstances, Saxo Bank shall not be liable to perform its obligations to the Client to the extent that it is unable to do so as a result of the third party's default.

- 18.4.** Especially, the Client acknowledges, recognises and accepts that any market recommendation and any information communicated by Saxo Bank does not constitute an offer to buy or sell or the solicitation of an offer to buy or sell a Contract and that such recommendation and information, although based upon information from sources believed by Saxo Bank to be reliable, may be based solely on a broker's opinion and that such information may be incomplete and may be unverified and unverifiable. Saxo Bank makes no representation, warranty or guarantee as to, and shall not be responsi-

ble for, the accuracy or completeness of any information or trading recommendation furnished to the Client.

19 CONFIDENTIALITY AND SAXO BANK'S DISCLOSURE OF INFORMATION

- 19.1.** Neither party shall disclose to any person (unless required to do so by any applicable law or by any regulatory or supervisory authority or by any other person entitled by law to require disclosure, or to enable it properly to perform its obligations under the Terms), any information relating to the business, investments, finances or other matters of a confidential nature of the other party of which it may in the course of its duties or otherwise become possessed, and each party shall use all reasonable endeavours to prevent any such disclosure.

- 19.2.** By accepting the Terms the Client authorises Saxo Bank to disclose such information relating to the Client as may be required by any law, rule or regulatory authority, including any applicable Market Rules, without prior notice to the Client. Furthermore Saxo Bank may disclose requested and relevant information relating to the Client to third parties in or outside Denmark in order to facilitate the transfer of funds by credit card initiated by Client.

20 COOLING OFF

- 20.1.** The "cooling off" rules of the Danish Consumer Protection Act do not apply to agreements concerning securities or financial services as offered by Saxo Bank, cf. the Danish Consumer Protection Act section 17, subsection 2, no. 3. The client relationship between Saxo Bank and the Client may be terminated immediately according to Clause 22. Saxo Bank shall charge no separate fees for opening and closure of trading accounts, except for Saxo Bank's applicable trading commissions related to closure of any open positions.

21 AMENDMENTS

- 21.1.** Saxo Bank is entitled to amend the Terms at any time by giving a notice of minimum 30 days, including but not limited to notice given by e-mail, to the Client. Such changes shall become effective on the date specified in the notice.

22 TERMINATION

- 22.1.** The client relationship shall remain in force until terminated.
- 22.2.** Either party is entitled to terminate the client relationship immediately by giving written notice to the other party. No penalty shall be payable by either party on

termination of the client relationship. Termination shall not affect any accrued rights and obligations.

- 22.3.** On termination, Saxo Bank and the Client undertake to complete all Contracts that are already in progress and the Terms shall continue to bind both parties in relation to such transactions. Saxo Bank is entitled to deduct all amounts due to it before transferring any credit balances on any Account to the Client and it is entitled to postpone such transferring until any and all Contracts between Saxo Bank and the Client are closed. Furthermore, Saxo Bank is entitled to require the Client to pay any charges incurred in transferring the Client's investments.
- 22.4.** At any time after the termination of the client relationship, Saxo Bank is entitled, without notice, to close any Contract between Saxo Bank and the Client.

- 23.3.** The Guarantee Fund for Depositors and Investors Act provides security for cash deposits up to DKK 300,000 and for securities up to EUR 20,000 in case of Saxo Bank's financial default.

24 COMPLAINTS AND DISPUTES

- 24.1.** In case the Client has a complaint against Saxo Bank, the Client is obliged to advise Saxo Bank's Legal Department of the complaint in writing. Saxo Bank is hereafter obliged to investigate the complaint promptly and fully.
- 24.2.** In the event the Client is not satisfied with Saxo Bank's response, the Client may file a complaint to Pengeinstituttankenævnet, Østerbrogade 62, 4., DK-2100 København Ø, Denmark.
- 24.3.** Without prejudice to any of Saxo Bank's other rights under the Terms, in any case when the Client and Saxo Bank are in a dispute over a Margin Trade or alleged Margin Trade or any instruction relating to a Margin Trade, Saxo Bank is entitled at its sole discretion and without notice to close any such Margin Trade or alleged Margin Trade if Saxo Bank reasonably believes such action to be desirable for the purpose of limiting the maximum amount involved in the dispute. Saxo Bank shall not be responsible for or under any obliga-

tion to the Client in connection with any subsequent fluctuations in the level of the relevant Margin Trade. If Saxo Bank closes a Margin Trade under this Clause such action shall be without prejudice to Saxo Bank's right to contend that such Margin Trade had already been closed by Saxo Bank or was never opened by the Client. Saxo Bank shall take reasonable steps to inform the Client that Saxo Bank has taken such action as soon as practicable after doing so. Where Saxo Bank closes a Margin Trade or alleged Margin Trade in accordance with this Clause, the closing shall be without prejudice to the Client's rights to open a new Margin Trade, provided that such Margin Trade is opened in accordance with the Terms. When calculating margin or other funds required for such Margin Trade, Saxo Bank is entitled to do so on the basis that Saxo Bank's view of the disputed events or instructions is correct.

25 GOVERNING LAW AND CHOICE OF JURISDICTION

- 25.1.** The client relationship and Terms are subject to and shall be construed in accordance with Danish law as the sole and exclusive governing law.
- 25.2.** The Client and Saxo Bank have agreed that the Maritime & Commercial Court of Copenhagen shall have exclusive jurisdiction and be the sole and exclusive venue in disputes regarding the client relationship and the Terms and any and all dealings between the Client and Saxo Bank. However, Saxo Bank reserves the right to commence proceedings in any competent court and jurisdiction that it may find suitable, including but not limited to jurisdictions in which the Client is a citizen or resident and jurisdictions in which the Client possesses assets.
- 25.3.** This Clause shall survive any termination of the client relationship.

26 MISCELLANEOUS

- 26.1.** If at any time any provision of the Terms is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of the Terms under the law of that jurisdiction nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected.
- 26.2.** Saxo Bank shall not be liable to the Client for any failure, hindrance or delay in performing its obligations under the Terms where such failure, hindrance or delay arises directly or indirectly from circumstances beyond its reasonable control. Such force majeure events shall include without limitation any technical difficulties such as telecommunications failures or disruptions, non-avail-

ability of Saxo Bank's website e.g. due to maintenance downtime, declared or imminent war, revolt, civil unrest, catastrophes of nature, statutory provisions, measures taken by authorities, strikes, lock-outs, boycotts, or blockades, notwithstanding that Saxo Bank is a party to the conflict and including cases where only part of Saxo Bank's functions are affected by such events.

26.3. Furthermore, Saxo Bank is entitled, in its reasonable opinion, to determine that an emergency or an exceptional market condition exists. Such conditions shall include, but is not limited to, the suspension or closure of any market or the abandonment or failure of any event to which Saxo Bank relates its quote or the occurrence of an excessive movement in the level of any Margin Trade and/or underlying market or Saxo Bank's reasonable anticipation of the occurrence of such a movement. In such cases Saxo Bank may increase its margin requirements, close any or all of the Client's open Margin Trades and/or suspend or modify the application of all or any of the Terms, including but not limited to, altering the last time for trading a particular Margin Trade, to the extent that the condition makes it impossible or impracticable for Saxo Bank to comply with the term in question.

26.4. The Client may not assign any of the Client's rights or delegate any of the Client's obligations under the Terms or according to any Contract to any person whereas Saxo Bank may assign its rights or delegate its obligations to any regulated financial institution.

26.5. For various investments, instruments and groups of Clients, Saxo Bank may provide additional business terms. The Client acknowledges, understands and accepts that:

- i such business terms made available to Clients shall constitute an addition to the Terms; and
- ii the Client should not undertake any transaction unless the business terms applicable for such investment, instrument or group of Clients have been understood and accepted.

Transactions undertaken by the Client notwithstanding (ii) above, shall be deemed as had this sub-clause indeed been complied with.

26.6. The rights and remedies contained in the Terms are cumulative and not exclusive of any rights or remedies provided by law.

- ii operate as a waiver of such right, power or remedy.

26.8. No waiver of any breach of any clause in the Terms shall (unless expressly agreed in writing by the waiving party) be construed as a waiver of a future breach of the same clause or as authorising a continuation of the particular breach.

RISK DISCLOSURE STATEMENT FOR FOREIGN EXCHANGE, CFD'S, FUTURES AND OPTIONS

This brief statement does not disclose all of the risks and other significant aspects of trading foreign exchange, contracts for difference (CFD's), futures and options. In light of the risks, you should undertake such transactions only if you understand the nature of the contracts (and contractual relationship) into which you are entering and the extent of your exposure to risk. Trading in foreign exchange, CFD's, futures and options is not suitable for many members of the public. You should carefully consider whether trading is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

FOREIGN EXCHANGE, CFD'S AND FUTURES

1. Effect of "Leverage" or "Gearing"

Transactions in foreign exchange, CFD's and futures carry a high degree of risk. The amount of initial margin is small relative to the value of the foreign exchange, CFD's or futures contract so that transactions are "leveraged" or "geared". A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with the firm to maintain your position. If the market moves against your position or margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. If you fail to comply with a request for additional funds within the time prescribed, your position may be liquidated at a loss and you will be liable for any resulting deficit.

2. Risk-reducing Orders or Strategies

The placing of certain orders (e.g. "stop-loss" orders, where permitted under local law, or "stop-limit" orders), which are intended to limit losses to certain amounts, may not be effective because markets conditions make it impossible to execute such orders. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

OPTIONS

3. Variable Degree of Risk

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e., put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs.

The purchaser of options may offset or exercise the options or allow the option to expire. The exercise of an option results either in a cash settlement or in the purchaser

acquiring or delivering the underlying interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased option expires worthless, you will suffer a total loss of your investment, which will consist of the option premium plus transaction costs. If you are contemplating purchasing deep-out-of-the-money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ("writing" or "granting") an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on Futures above). If the option is "covered" by the seller holding a corresponding position in the underlying interest or a future or another option, the risk may be reduced. If the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

ADDITIONAL RISKS COMMON TO FOREIGN EXCHANGE, CFD'S, FUTURES AND OPTIONS

4. Terms and Conditions of Contracts

You should ask the firm with which you deal about the terms and conditions of the specific futures or options which you are trading and associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise).

Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

5. Suspension or Restriction of Trading and Pricing Relationships

Market condition (e.g., illiquidity) and/or the operation of the rules of certain markets (e.g., the suspension of trading in any contract or contract month because of price limits or “circuit breakers”) may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions. If you have sold options, this may increase the risk of loss.

Further, normal pricing relationships between the underlying interest and the future, and the underlying interest and the option may not exist. This can occur when, for example, the futures contract underlying the option is subject to price limits when the option is not. The absence of an underlying reference price may make it difficult to judge “fair” value.

6. Deposited Cash and Property

You should familiarize yourself with the protections accorded money or other property you deposit for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specific legislation or local rules. In some jurisdictions property, which had been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

7. Commission and Other Charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

8. Transactions In Other Jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected.

9. Currency Risks

The profit or loss in transactions in foreign currency-denominated contracts (whether they are traded in your own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

10. Trading Facilities

Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary: you should ask the firm with which you deal for details in this respect.

11. Electronic Trading

Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions or is not executed at all.

12. Off-Exchange Transactions

In some jurisdictions, and only then in restricted circumstances, firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterpart to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.
